**Terms of Service**

Medical Conditions or Senior Pets Grooming procedures can sometimes be stressful, especially for senior pets or pets with health problems. Grooming can expose hidden medical problems as well as aggravate an existing one, whether it be during or after the groom. Because senior pets and pets with health problems have a greater risk of injury, these pets will be groomed for comfort and cleanliness, as we will not compromise any pet's health and/or wellbeing to achieve "the perfect groom". The pet owner will advise The Salty Dog Boutique & Grooming of any medical, physical or emotional issues, allergies, sensitivities, or pre-existing conditions. These conditions may include, but are not limited to, prior surgeries, hip and/or joint issues, warts, moles, ear infections or skin problems. The owner will also inform The Salty Dog Boutique & Grooming of new conditions as they arise. The Salty Dog Boutique & Grooming will not be responsible for accident or injury to elderly or health compromised pets during their grooming. By signing below, the owner agrees that The Salty Dog Boutique & Grooming has permission to groom their senior or health-compromised pet and has discussed any and all (past and present) health problems to the best of their knowledge.

**Fleas**

If fleas are found on your pet, The Salty Dog Boutique & Grooming will give a one off flea treatment (Capstar) at an additional minimum cost of \$15. This cost covers the medication and administration to ensure our grooming salon is free of active parasites.

### **Accidents**

Although accidents are very rare, there is always a risk when dealing with pets. Grooming equipment can be sharp, and although we use extreme caution and care in all situations, possible accident could occur including cuts, nicks, scratches, quicking of nails etc. In most cases, this can happen when a pet is wiggling or moving around. Any incident, no matter how small, will be communicated to the pet owner.

Your pet's safety and comfort is our number one priority. Therefore, if our groomer feels that your pets safety will be compromised they will cease the groom and notify you immediately. In the event that an accident does occur, you will be notified.

### **Late Pick Up**

When dropping off your pet, you will be advised of a timeframe we anticipate completion of services. Please keep in mind that grooming can be a very time consuming and unpredictable process depending on pet's behaviour, as well as condition of the coat, and when clients arrive for the appointments. We will do our best to manage to the approximated time given, but please understand that factors outside of our control can influence how long the process may take. All pets brought in for grooming must be picked up within one hour of the time the client is informed the pet is ready.
